Thursday 1st July , 2021

Tena koutou whanau,

Our kapa haka roopu has been invited to participate in two fabulous community events on Saturday the 10th of July. This is the first Saturday of our upcoming school holidays. It is always tricky to organise these things outside of school time, so it would be really helpful if we could get an indication of which students are interested and available. A rough timetable is...

2.30 arrive at school for karakia, uniform and practice

3.30 closing performance at the community potluck at Kororareka Marae

4.00 return to school for some relaxation, keeping warm, perhaps a movie and an early bbq dinner

6.00 opening performance at the Duke of Marlborough's Matariki Kai Masters

6.30 return to school to change and be collected by parents and caregivers by 7.00.

Our wonderful Matua Horrace is able to be with us for the two performances so we will be well-supported. The panui for the event at Kororareka Marae is on our app, and I know all whanau are welcome for the day.

I'd like to thank our community for involving us in this way - we are so proud of the progress our roopu has made and the way our students encourage and learn from each other. Please let me know if your student can attend or if you can support us in any other way.

Nga mihi maioha
