

GARDEN TO TABLE

GROW,
HARVEST,
PREPARE,

We need you!

Volunteers wanted for our kitchen and garden programme.

Our school is introducing the Garden to Table programme across all age groups this year. It's a unique and inspiring programme teaching our children how to grow and harvest produce grown in the school garden, to then be prepared and shared in the school kitchen.

For this to be successful, we need you! This project relies on the support of volunteers to work with children in the garden and kitchen, sharing their experience, enthusiasm and knowledge.

You don't have to be an expert! Our Garden and Kitchen Specialists are always on hand to provide expert advice and oversee the sessions. You just need to be interested in helping children learn about growing food, cooking and sharing food, and enjoy working with children.

Have we talked you into it? We'd love to hear from you!

Email [Lara - School Programme Coordinator](#) for more information or to arrange to see a session in action.
