Dear Kororareka Russell School Whānau,

FORS (Friends-Of-Russell School) is ready for action! The FORS mission is to provide a role and a voice for our community of parents and friends who wish to support the work of the school and the goals of our whanau.

We are aiming to meet once per term with the odd additional meeting added in (if needed) to organize a particular event. We'd love to have parents/friends of the school join us at a meeting and share ideas. Our next meeting is Thursday August 29th @ 5:00. If meetings aren't your thing, no problem, there are plenty of different ways to share your time and support our tamariki. Check out our recent and upcoming events!
